IN SHORT

Didra lets you build a course with video, text, PDF and quizzes, then sell it. Students pay straight into your own Whop account and YLC takes nothing on your sales. Zoé, your AI copywriter, can write the outline and lessons with you.

01 In short

Didra lets you build a course with video, text, PDF and quizzes, then sell it. Students pay straight into your own Whop account and YLC takes nothing on your sales. Zoé, your AI copywriter, can write the outline and lessons with you.

02 What you can do

For your business

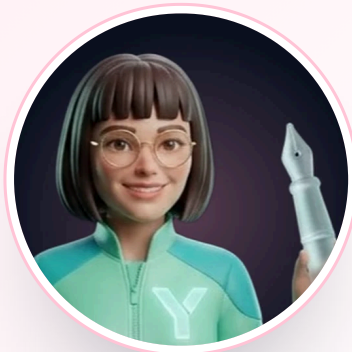

- ◆ A course in video, text, PDF and quizzes.
- ◆ A members' area for your students.
- ◆ Sell it as a one-time price or a subscription: YLC takes 0% of your sales.

For your agency and your clients

- ◆ An expert client's course, from the outline to the sales page.
- ◆ Lessons and quizzes written by Zoé, as drafts.
- ◆ A members' area ready for their students.

03 Your AI team

Zoé

Copywriter

Zoé drafts your course outline, then writes the lessons, the quizzes and the sales page in Didra, as drafts: you check, set the price and publish. She also writes your course emails for you to paste.

04 Step by step

Create and sell your first course

- 1 In your YLC account, tap **My apps**, then **Didra**, or go to didra.ylcnetwork.com.
- 2 In **Outline with AI**, write one sentence about your course and click **Write my outline**. Or, in **New course**, type a **Course title** and click **Create**.
- 3 In the **Content** tab, click **Add a module**, then **Add a lesson**. Choose the type, add your video or text, tick **Published** and click **Save the lesson**.
- 4 In **Settings**, choose the **Price** (0 = free course), **Currency** and **Billing** (**One-time** or **Monthly subscription**), then click **Save settings**.
- 5 In **Sales**, tick **I accept the YLC seller terms**, click **Accept**, then **Set up my Whop payouts** and finish your verification at Whop.
- 6 Go back to **Settings** and click **Publish the course**. Copy **Your course link** to share it.

05 What it costs

CREDITS

ACTION

PRICE

A course outline by AI	1 credit in Express, 2 in Premium
------------------------	---

A lesson, an end-of-module quiz or the sales page by AI	1 credit each
---	----------------------

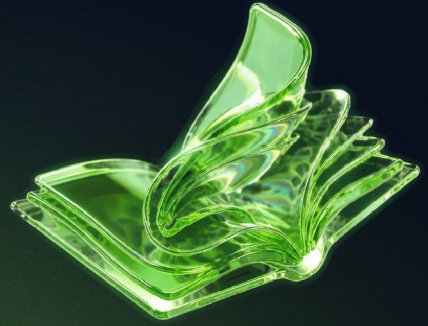

Creating, uploading, selling and taking a course	no credits. YLC takes 0% of your sales
--	---

The price shows on the button before you confirm. If the AI fails, your credits are refunded.

EXPRESS · PREMIUM

Express by default, Premium if you want it. Express is fast and economical. Premium uses the best models and a critical review, for a few more credits.

The exact price is always shown before you confirm. If a creation fails, your credits come back.
