02 What you can do

For your business

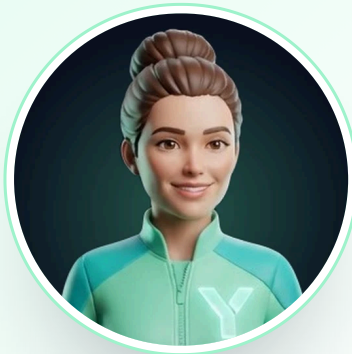

- ◆ A logo with three directions to choose from, then print-ready files.
- ◆ Business cards, flyers, posters, menus, packaging.
- ◆ A brand kit the other apps pick up on their own.

For your agency and your clients

- ◆ A new client's logo, with three directions to present.
- ◆ Your clients' print designs: menus, flyers, loyalty cards.
- ◆ A realistic mockup to show the result before printing.

03 Your AI team

Mila

Community manager

Mila designs your logo, with three directions to choose from, then posters, loyalty cards and gift vouchers in your brand kit. The price shows on the card before you validate.

ASK IN YOUR OFFICE

"A poster for my opening"

"A gift voucher for Christmas"

04 Step by step

Create your first logo

- 1 Open Glyphi: click **My apps**, then **Glyphi**.
- 2 Click **Create my design**. The screen asks **What are we creating?**
- 3 Choose **Logo** (or another type), or describe what you need and click **Start**.
- 4 Fill in the brief: the name exactly as it's written, what you do, the style, some colours if you want. Click **Create**.
- 5 Answer Mila. When she has everything, the **Create 3 concepts** button unlocks. Click it: allow 1 to 3 minutes.
- 6 Click **Choose this concept** under the one you like.
- 7 Ask for edits if you want, then click **Final pack**.
- 8 Click **Download all (.zip)**. For a logo, click **Make it my brand kit**.

GOOD TO KNOW

Before you start, choose **Express** (fast and thrifty) or **Premium** (reviewed and corrected by Mila's critical eye).

The **animated logo** is free.

Glyphi is included in your Pass. The price shows under each button.

If a design fails, your credits are given back.

EXPRESS · PREMIUM

Express by default, Premium if you want it. Express is fast and economical. Premium uses the best models and a critical review, for a few more credits.

The exact price is always shown before you confirm. If a creation fails, your credits come back.
