IN SHORT

Semblo creates your AI twin. It learns from your content and answers your audience the way you would, in writing or on a call with your cloned voice.

01 In short

Semblo creates your AI twin. It learns from your content and answers your audience the way you would, in writing or on a call with your cloned voice.

Semblo, on screen

02 What you can do

For your business

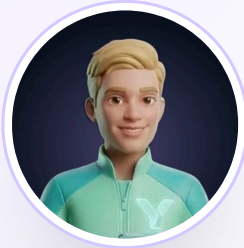

- ◆ A twin that answers in writing, like you, from your own content.
- ◆ Calls with your cloned voice.
- ◆ Unanswered questions, kept for you to complete.

For your agency and your clients

- ◆ An expert client's twin, fed with their own content.
- ◆ An FAQ and standard answers written by Zoé.
- ◆ The offer and call prices prepared by Sam.

03 Your AI team

Sam

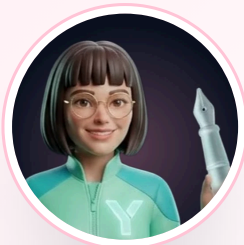

Sales rep

Sam helps you sell your expertise: he prepares your offer, the price of calls and a Cadra booking slot, and drafts your follow-ups in Relka. You set them in Semblo and send them yourself.

ASK IN YOUR OFFICE

“Prepare my twin's offer”

“Follow up with people who asked about my calls”

Zoé

Copywriter

Zoé feeds your AI twin: she writes your bio, your sample answers and new sources for it to learn from (1 credit per source). Your twin answers your visitors from them.

ASK IN YOUR OFFICE

“Add my 10 most asked questions to my twin”

“Rewrite my twin's bio”

04 Step by step

Create your twin

- 1 Open Semblo: click **My apps**, then **Semblo**.
- 2 **Who are you?:** click **Prepare my preview**, or **I'll fill it in myself**.
- 3 **Is this you?:** click **Yes, that's me**.
- 4 Follow the steps with **Continue**: your details, your documents, your expertise, your voice, what your twin should help with.
- 5 Choose your address, then click **Reserve my address**.
- 6 Click **Let's go!**

05 What it costs

CREDITS

ACTION

PRICE

A reply from your twin **1 credit.** A minute of call: **3**

Adding a source **1**

Messages from your free visitors cost you no credits. If you open calls to everyone, their calls are paid from your credits **3 per started minute**

Creating your voice **10**

Your subscribers' AI is paid from your credits, at cost.

Your subscribers pay you directly on your Whop account. YLC takes 0%.

Semblo is included in your Pass.

If an action fails, your credits are given back.

The exact price is always shown before you confirm. If a creation fails, your credits come back.

Ready to start?

Everything is included in your YLC Pass. Your AI team is waiting in your office.
