02 What you can do

For your business

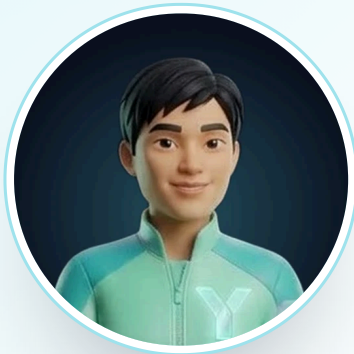

- ◆ A page in your name with your links, your socials and what you sell.
- ◆ A QR code to print on your card or your counter.
- ◆ The contacts of people who swap details with you.

For your agency and your clients

- ◆ Each client's link page, prepared by Kai and put online when they approve.
- ◆ Your agency showcase (set up in YLC, under My agency).
- ◆ A QR code per client for their flyers and shop windows.

04 Step by step

Create your page yourself

- 1 Open Straby: click your photo at the bottom of the bar, then **Straby** under **Other YLC apps**. You can also go to straby.ylcnetwork.com.
- 2 Click **Create my page**.
- 3 Type your name, then click **Create page**.
- 4 Add your photo, your links, your colours. Each change saves on its own: wait until the label shows **Saved**.
- 5 Click **Preview** to see your page as a visitor does.

Without a Pass

one page, statistics for the last 7 days and 3 readable contacts

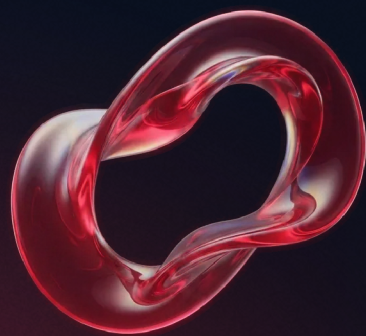

With a Pass

as many pages as you want, all your contacts, full statistics

AI images in Straby use no credits

you get **15 a month**, and Straby shows how many you have left. AI videos use your YLC credits: the price shows next to the button before you start

The exact price is always shown before you confirm. If a creation fails, your credits come back.
