IN SHORT

The Green is a free game. You play the game of the day, walk, vote in the image contest, and earn **greens**. 100 greens fund the removal of a plastic bottle from the ocean and give you a ticket for the monthly draw.

01 In short

The Green is a free game. You play the game of the day, walk, vote in the image contest, and earn **greens**. 100 greens fund the removal of a plastic bottle from the ocean and give you a ticket for the monthly draw.

02 What you can do

With The Green

- ◆ Play the game of the day, one minute a day.
- ◆ Count your steps with the phone app.
- ◆ Fund the removal of plastic bottles from the ocean with your greens.

03 Your AI team

Nobody: it's a game, you play it yourself.

04 Step by step

Fund a bottle and get a ticket

- 1 Go to thegreen.today, or open The Green app from Google Play.
- 2 Open the **Game of the day** and tap **Play**.
- 3 For your steps, install the app on your phone, sign in with the same account and tap **Connect Apple Health** or **Connect Health Connect**.
- 4 Once you have 100 greens, fund a bottle: it funds the removal of a plastic bottle from the ocean with our partner Greenspark, and takes a ticket in this month's draw.
- 5 Find your tickets in **My tickets** and the prizes in **This month's prizes**.

05 What it costs

CREDITS

Playing, walking, voting and the draw are free. With a YLC Pass, you can also post in the image contest and you get boost codes every month. A boost lasts **1 hour** and multiplies your greens by $\times 1.25$ to $\times 2$ depending on your Pass. It helps you reach the daily limit sooner, never go past it, and never gives a ticket.

The exact price is always shown before you confirm. If a creation fails, your credits come back.

The Green

Ready to start?

Everything is included in your YLC Pass. Your AI team is waiting in your office.
