IN SHORT

Vezzo records your screen, a window or a tab, with your camera in a bubble. The moment you stop, the link is ready. Leo, your AI video maker, can write the script beforehand, then the title and summary.

01 In short

Vezzo, on screen

02 What you can do

For your business

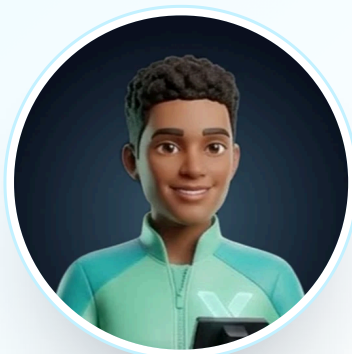

- ◆ A demo or a tutorial with your screen and your camera.
- ◆ A link ready as soon as you stop.
- ◆ See who watched, with comments to the second.

For your agency and your clients

- ◆ Explainer videos for your clients instead of a long meeting.
- ◆ A script prepared by Leo before you record.
- ◆ Send the video to Montra for subtitles.

03 Your AI team

Leo

Video maker

Leo prepares the script of your next recording, writes the title and summary of a Vezzo video from its transcript, and sends it to Montra to edit it and add subtitles.

ASK IN YOUR OFFICE

"A script for a 2-minute product demo"

"Title and summary for my last video"

04 Step by step

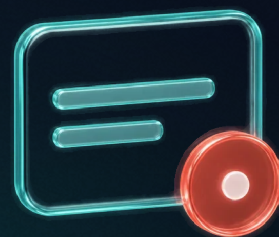

Your first recording

- 1 In your YLC account, tap **My apps**, then **Vezzo**, or go to vezzo.ylcnetwork.com.
- 2 Click **New recording** and pick the mode. Leave the **Microphone** on.
- 3 Click **Start recording**. Your browser asks which screen, window or tab to share.
- 4 Drag your camera bubble anywhere. You can **Pause** or **Restart**.
- 5 Click **Stop**. When **Your link is ready** shows, the link is already copied. You can also click **Copy link**.
- 6 In **Sharing**, choose **Who can watch**: anyone with the link, only YLC accounts you invite, or anyone with a password.

05 What it costs

CREDITS
