IN SHORT

Vivra builds your website from a few questions: texts, style, photos and animations. Kai, your AI web designer, handles it. Your site stays private until you put it online.

01 In short

Vivra builds your website from a few questions: texts, style, photos and animations. Kai, your AI web designer, handles it. Your site stays private until you put it online.

Vivra, on screen

02 What you can do

For your business

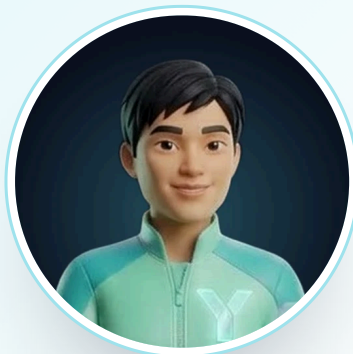

- ◆ A one-page site for your business, with your hours and your Google reviews.
- ◆ A site with several pages when you have more to show.
- ◆ Change a price or a photo just by asking.

For your agency and your clients

- ◆ A client's site from their Google listing or their current site.
- ◆ A private draft to show before going live: it goes public only when they say yes.
- ◆ Your clients' changes, asked to Kai in one sentence.

03 Your AI team

Kai

Web designer

Kai builds your one-page website with Vivra and keeps it private until you say publish. He changes texts, sections or prices whenever you ask.

ASK IN YOUR OFFICE

"Create my website"

"Change my opening hours on the site"

04 Step by step

Create your first site

- 1 Open Vivra: click **My apps**, then **Vivra**. You land on **My sites**.
- 2 Click **Create my first website** (or **+ New site**).
- 3 Fill in at least **Your business name** and **What you do**. You can add a link (your Google listing, your Instagram or your current website). Click **Create my site**.
- 4 Chat with Kai. Once he has suggested the structure, click **I'm done, next step** →.
- 5 Go through **Look**, **Voice**, **Contact**, **Google reviews**, **Visuals** and **Summary** with **Next** →. Only the **Contact email** is required.
- 6 Under **AI model**, choose **Express** or **Premium**.
- 7 Click ♦ **Generate my site**. It takes 4 to 10 minutes.

05 What it costs

CREDITS

ACTION

PRICE

A site	15 credits on Express, 30 on Premium (best model, high-quality photos and the art director's review)
--------	--

A multi-page site	20 (Premium: 40)
-------------------	---------------------------------

An AI edit	3 (Premium: 5). An AI image: 2 (Premium: 3)
------------	---

A second language	3
-------------------	----------

Reading your current website	1 credit (free if it was already read)
------------------------------	---

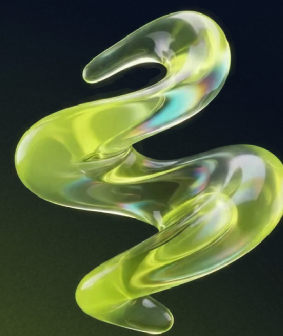

Vivra is included in your Pass. The price shows before you start.

Edits by hand are free. **If a generation fails, it costs you nothing.**

EXPRESS · PREMIUM

Express by default, Premium if you want it. Express is fast and economical. Premium uses the best models and a critical review, for a few more credits.

The exact price is always shown before you confirm. If a creation fails, your credits come back.

Ready to start?

Everything is included in your YLC Pass. Your AI team is waiting in your office.
